Dear Friends and Supporters of The Second Step,

We are pleased to share our FY 2015 Annual Report with you, highlighting The Second Step’s accomplishments over the past year.

Your generosity and partnership have allowed us to envision and shape a stronger organization – one which over the past year alone has provided:

- Over 21,000 days and nights of safety and healing to the 58 parents and children who live in our Residential Programs.
- Individual advocacy, safety planning, physical and mental illness and post-traumatic stress disorder counseling, peer support groups, and assistance with job training and housing stabilization to 250 adult survivors in our Community Programs.
- Intense support to 60 children and teens in our many Youth Programs, which include a therapeutic after-school program, camps, one-on-one tutoring and mentoring, and ground-breaking groups for children and adolescents affected by violence.
- Free legal representation and services related to custody, restraining orders, housing, immigration, and other legal needs to 150 survivors through our Steps to Justice Programs.
- Outreach and education efforts to over 2,500 people in our community and beyond, to prevent the next generation of abuse.

We are excited and eager to build on this excellent work to ensure that The Second Step continues to provide the highest quality services to survivors, expands our reach to help more people, and collaborates with others for systems change. In this Annual Report, you will see the ways in which we have optimally positioned the organization for even greater impact going forward.

As The Second Step enters our 25th year of operation in 2016, we are ever thankful for the collaborative spirit and support of our donors and volunteers. Your generosity allows us to put our creativity, energy, and commitment into planning and implementing our shared vision of a world free from violence and full of possibility.

With deepest gratitude,

Sarah Perry
Executive Director

Andrew Parvey
Board President
CELEBRATING SUCCESS

Our 23rd Annual Celebrating Success was a huge hit – thank you to the more than 450 attendees and to all our supporters who made this event so special and helped us raise over $300,000!

STEP UP TO THE PLATE

Our Tenth Anniversary of Step Up to the Plate raised $150,000 and brought together 250 attendees and 15 guest speakers at homes across Greater Boston to raise money and awareness for survivors.

TRIVIA NIGHT

More than 100 people came together for Trivia Night - raising nearly $10,000 to support our programs (and to show off their knowledge of arcane facts!)
Our Programs Include:

- Individualized safety planning and housing stabilization
- Legal assistance with restraining orders, family law, landlord-tenant relations, and immigration issues
- Comprehensive services to address physical and mental illness, post-traumatic stress disorder, and substance abuse
- A transitional living program of two residences, which can jointly house seventeen families for up to two years
- A therapeutic afterschool program for elementary-age children living in our residences
- Peer support groups for survivors and their loved ones
- Child and adult individual mentoring programs
- Training in financial literacy, self-defense, parenting, nutrition, and other life skills
- Community outreach and education to raise awareness and prevent abuse
